Request for Applications
Texas Veterans Commission Fund for Veterans' Assistance
2018-19 Housing 4 Texas Heroes Grant

The Fund for Veterans' Assistance (FVA or "Fund") was created in the 79th Legislature, and codified in the Texas Government Code § 434.017, Veterans' Assistance Agencies. The Fund, prior to the passage of Senate Bill 1655 in the 81st Legislature, was composed of money transferred to the Fund at the direction of the Legislature, gifts and grants contributed to the Fund, and the earnings of the Fund.

During the 81st Legislature, Senate Bill 1655 established the Veterans' Assistance Game. This allowed for money to be transferred to the Fund from proceeds of a game operated by the Texas Lottery Commission, operated under the Texas Government Code §§ 466.027 and 466.408. The Fund is also composed of money deposited to the Fund under the Texas Transportation Code § 502.1746. The Texas Veterans Commission (TVC) oversees all rules governing the awarding of grants from the FVA.

The Housing for Texas Heroes (H4TXH) grant program was established in 2011 during the 82nd Legislative Session. During the Regular Session of the 85th Legislature, the TVC was appropriated General Revenue to support H4TXH grant program in the 2018-2019 biennium. Rider 9, Page I-91 of the General Appropriations Act states that the TVC will receive funding for the purpose of administering a Veterans Housing Assistance Program that will assist Texas Veterans and their families in obtaining, maintain, or improving housing.

The Texas Veterans Commission (TVC) established the following priorities to provide guidance to the FVA Advisory Committee in developing funding recommendations and for the Commission in making grant awards. These priorities are:

- **Service Categories**
Priority will be given to the following service category:
 - Home Modification Assistance
- **Geographic Distribution**
The FVA Advisory Committee will develop recommendations that will ensure widespread distribution of grants across the state.
- **Diversity of Services in Geographic Areas**
The Commission encourages a diversity of services provided within geographic regions.
- **Outstanding Grant Applications**
Priority will be given to outstanding-rated grant applications.
- **Full Funding**
The FVA Advisory Committee will recommend fully funding grant requests, whenever possible.

The above priorities will be used in the funding recommendations made for this grant.

I. Purpose and Overview

The Texas Veterans Commission is authorized to use funds appropriated to the FVA to administer the Fund and make reimbursement grants to address the needs of Veterans and their families. Part III: Budget Table and Budget Narratives

All grants awarded by the Texas Veterans Commission must follow the applicable Uniform Grant Management Standards (UGMS) which can be found at <https://comptroller.texas.gov/purchasing/docs/ugms.pdf> and the applicable federal grant guidelines published by the Office of Management and Budget (OMB). The OMB federal guidelines, 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, can be found at: <http://www.ecfr.gov/cgi-bin/text-idx?SID=ad01a55d75da31a0dfce4a96512c1ff2&node=2:1.1.2.2.1&rgn=div5>. In the event of a conflict between UGMS and applicable federal law, the provisions of federal law apply.

In addition to the above state and federal grant guidelines, this grant has additional restrictions regarding how grant dollars may be spent and these have been noted previously under **Section IV. Program Guidelines, J. Prohibited Uses of Funds.** Failure to follow these guidelines in developing budgets and project costs can result in unallowable costs.

The budget is broken up into Direct and Indirect Costs. Within Direct Costs there are seven allowable sections. Indirect Costs has one section. Each section represents a Budget Category that will make up your Total Grant Amount Request. The total grant amount request must equal the Amount Requested checked in **Part I – Proposed Project.**

Complete each Table as applicable to your Proposed Project. Costs must be broken out in Tables to a degree that is sufficient to determine if costs are reasonable, allowable, and necessary for the successful performance of the grant project. Costs will be reviewed for compliance with UGMS and federal grant guidance found in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

Following each table, a narrative description supporting and discussing each budget item must be entered, as well as a calculation demonstrating how the cost was determined. For example, if there is travel in the budget, the narrative must discuss travel and the appropriateness of travel to the project, and the narrative must include calculations to support how the cost was determined.

Direct Costs

Direct costs that appear indirect in nature need to be fully explained, supported, be reasonable, and treated in a consistent manner across your organization. The FVA may ask the applicant to re-classify costs as indirect if the support provided does not meet the above criterion.

A. Salaries and Wages

1. Complete the table as instructed. For each employee directly associated with the Proposed Project, enter the position title, employee's name, the percent of time to be allocated to this Project, and their annual salary. Do not include employees that are general administration such as accounting, personnel/human resources **IF** they are already included in indirect charges. 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. If the employee is a contract employee, list that position under Table F. Client Services or Table H. Other Direct Costs as appropriate.

2. Describe the roles and responsibilities of each position **and** how each of those roles is necessary to accomplishing the Proposed Project as instructed. Narrative must also include a calculation to demonstrate how the cost was determined.

B. Fringe Benefits

1. Complete the table as instructed. For each position listed in Table A enter the annual fringe benefits associated with that position.
2. Describe the costs covered in this category as instructed, including health insurance, social security, and any other applicable fringe benefits for each position listed in Table B **and** how each of those benefits are necessary to accomplishing the Proposed Project. Narrative must also include a calculation to demonstrate how the cost was determined.

C. Travel

1. Complete the table as instructed. Enter employee travel associated with this project in this table. This includes travel to and from conferences, training, and travel to provide client services.
 - a. Travel does not include international travel. Travel will follow all policies and procedures for travel established by the organization. All travel costs must be in compliance with 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
 - b. As noted in the **Section XI. Grantee Training**, funds do not need to be budgeted for travel to Austin, TX for grantee training. This training will be done remotely via webinar or conference call, or in some instances, FVA staff may conduct onsite training visits at the Awarded Applicant's facility.
2. Describe each travel item included in the table including but not limited to what the travel is for, mileage rates, meal rates per day, conference registration fees, **and** why the travel is necessary to accomplish the Proposed Project. Narrative must also include a calculation to demonstrate how the cost was determined.

D. Capital Equipment

This line is not applicable to this FVA grant application and should be left blank.

E. Supplies

2. Describe each supply item listed in the table **and** explain why each supply item is necessary to accomplish the Proposed Project. Narrative must also include a calculation to demonstrate how the cost was determined.
3. If this is a continuation request and your organization was previously awarded funding for the Proposed Project, note each item of supply listed in the Table above that was also requested as part of a previously funded application **and** explain why it is being requested again. Examples of such items of supply may include laptops, projectors, printers, phones.

F. Client Services

1. Client Services may include, but is not limited to, participant support costs such as rental assistance, transportation assistance for Veterans in shelters, household set-ups for Veterans provided with housing, and any contract personnel that will be providing services to Beneficiaries. An itemized break-out of each client service is required, and extra lines may be inserted into this table. For Home Modification assistance projects, typical Client Services costs include contract labor and supplies. Please note that the maximum amount H4TXH funding for home modification assistance per Veteran household is \$15,000. Grantees may

utilize other revenue streams in addition to H4TXH funding to fund additional projects on a home modification.

2. Describe each client service listed in the table **and** explain why each cost is necessary to accomplish the Proposed Project. Include, if applicable, the maximum amount of assistance to be provided to clients. Narrative must also include a calculation to demonstrate how the cost was determined. For Home Modification Projects, narrative calculation **must** include estimated contract labor and supplies costs used to determine the average home modification cost per Veteran household.

G. Construction

This line is not applicable to this FVA grant application and should be left blank. Construction of buildings is not allowed with this grant. Any remodeling or adaptive assistance for Beneficiaries should be listed under Client Services.

H. Other Direct Costs

1. Complete the table as instructed. Direct costs that appear indirect in nature need to be fully explained, supported, be reasonable and treated in a consistent manner across your organization. The FVA may ask the applicant to re-classify costs as indirect if the support provided does not meet the above criterion.
2. Describe each item of other direct costs listed in the table **and** explain why each cost is necessary to accomplish the Proposed Project. If costs are allocated be sure to include an approximate percentage to be charged to this grant. Narrative must also include a calculation to demonstrate how the cost was determined.

I. Total Direct Charges

This line is a summation of all Direct Cost Tables A - H. These are direct charges, meaning that any costs in Tables A – H are directly attributable to this project.

Indirect Costs

- J.** Allowable Indirect Cost Recovery for FVA grants is limited to 10% of total direct costs for all applicants. Indirect charges are those items that are often considered “overhead,” and can be classified as those costs associated with accounting, human resources, and other administrative and facility-related costs.

Typical examples of indirect cost for many nonprofit organizations may include depreciation on buildings and equipment, the costs of operating and maintaining facilities, and general administration, such as the salaries and expenses of executive officers, personnel administration, and accounting.

Please keep in mind that direct and indirect costs must be treated in a similar manner as they are across your organization and may be reviewed for accuracy during monitor visits.

NOTE: Costs claimed as direct costs that appear indirect in nature or budgets claiming no indirect costs will be scrutinized for accuracy. Any such costs claimed as direct need to be fully explained, supported, be reasonable and treated in a consistent manner across your organization. The FVA may ask the applicant to re-classify costs as indirect if the support provided does not meet the above criterion.

For more information regarding direct and indirect costs, please see 2 CFR §200.412-414.

1. Enter the total Direct Costs in table J. to calculate the allowable Indirect Recovery.

2. Provide a basic line item description for each indirect cost (ex. Executive Director, IT, Facilities). No further explanation is required.

The total of Table K **MUST** match the grant amount being requested in **Part I: Proposed Project Information, Amount Requested.**

L. Matching Funds

Describe what other funding sources and/or matching funds your organization will be using to support and accomplish the goals of the Proposed Project. This information helps to provide a complete picture of what resources will be used to accomplish the Proposed Project. Be specific in your answer by including, for example, any other grants that may fund portions of the Proposed Project, in-kind donations, or volunteer time that assists in the delivery of Proposed Project services

Submission of an Application confers no rights of Applicant to an award or a subsequent NOGA, if there is one. The issuance of this RFA does not guarantee that a NOGA will ever be awarded. TVC reserves the right to amend the terms and provisions of the RFA, negotiate with Applicant, add, delete, or modify the NOGA and/or the terms of Application submitted, extend the deadline for submission of Application, or withdraw the RFA entirely for any reason solely at TVC’s discretion, as consistent with the applicable OMB circulars. An individual Application may be rejected if it fails to meet any requirement of this RFA. TVC may seek clarification from Applicant at any time, and failure to respond within three (3) business days is cause for rejection of an Application.

Awarded Applicant understands and agrees that the Commission may, in its sole discretion, grant funds in greater or lesser amounts and/or for greater or lesser periods of time than requested in its application.

Upon execution of a NOGA resulting from this RFA, the term "Applicant" shall have the same meaning as "Awarded Applicant" and “Grantee.”

II. Order of Precedence

In the event of conflicts or inconsistencies, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority:

In the event that language contained in a particular Section of the RFA is found to be in conflict with language in another Section, the most stringent requirement(s) shall prevail.

IV. Notice

Any notice or written communication between the Agency and Awarded Applicant shall be considered delivered when delivered electronically or postmarked, except that such notice or written communications sent by certified mail, return receipt requested, or delivered in person to the authorized representative of the party designated in accordance with the NOGA shall be considered to be delivered when received.

V. Change of Principal Participants

Awarded Applicant, in its reasonable discretion, reserves the right to substitute appropriate key personnel to accomplish its duties so long as the substituted personnel are equally qualified and skilled in the tasks necessary to accomplish the Grant Project. Awarded Applicant shall provide to TVC prior written notice of any proposed change in key personnel involved in accomplishing the Grant Project. No substitutions of key personnel will be made without the prior written consent of TVC. All requested substitutes must be submitted to TVC. After Application submission but prior to award, Applicant shall provide notice to the Agency in a similar manner of any changes in key personnel.

VI. Changes to Program

Awarded Applicant will promptly notify the Agency if any organizational changes occur such that information contained in its NOGA is no longer correct, or that would render the organization ineligible for an FVA grant award.

After Application submission but prior to award, Applicant shall notify the Agency of any organizational changes that have occurred that would render the organization ineligible for an FVA grant award.

VII. Option to Amend

Any changes, additions, or deletions to the NOGA or Approved Application must be executed through a grant amendment. A Grantee may request an amendment as outlined in the FVA Amendment Policy. Amendments may modify the approved budget, grant period, or scope of the Grant Project as described in the Approved Application. Each amendment request will be considered on a case-by-case basis. A Grantee may have no more than three (3) amendments during a grant period. Budget notifications as described in UGMS are considered as part of the 3 allowable amendments. Amendment requests seeking to change the award amount must be brought before the Commission for approval and must be submitted with sufficient time to be prepared and included on the agenda for the next regularly scheduled Commission meeting. All other amendment requests must be submitted no later than seventy-five (75) days prior to the end of the grant period (concurrent with 3rd Quarter Performance Report). A. Monthly Report

Grantee shall provide to FVA a monthly expenditure report in a format prescribed by the FVA and must contain an authorized signature. The due date for the report is the 15th of the month following the end of the reporting month.

B. Quarterly Report

Grantee shall provide to FVA a quarterly performance report and project narrative in a format prescribed by the FVA. The due date for the report is the 15th of the month following the end of the reporting quarter.

C. Closeout Report

The closeout report shall be submitted to FVA in the format designated by FVA, and is due no later than sixty (60) days after the end of the grant period. This report is in addition to the final monthly expenditure and final quarterly performance report.

D. Supporting Documentation

Accounting records, including expenditure reports, shall be supported by adequate source documentation as prescribed by the FVA. Supporting documentation for each reported cost shall demonstrate Cost Incurred and Proof of Payment. FVA will determine if supporting documentation is adequate. The Agency may deny or disallow unsupported expenses and may require that funds expended for unsupported expenses be returned.

E. Failure to Comply with Reporting Requirements

Failure of Grantee to comply with any of the reporting requirements in this agreement may result in the suspension of reimbursement payments or termination of the grant, the refund to the FVA of grant funds disbursed, and/or Grantee's ineligibility for future grant funds.

IX. Accounting System

Awarded applicants shall have an accounting system that identifies cost in accordance with generally accepted accounting principles and Uniform Guidance. An awarded applicant's accounting system must reflect accurate and organized records that identify the funding source and application of funds for state awards.

X. Texas Veterans Commission Recognition

Awarded Applicant shall include, where possible, the following information on the Awarded Applicant website and on all Grant Project-related materials, brochures, flyers, and forms:

- Texas Veterans Commission website URL;
- Fund for Veterans' Assistance logo;
- The following statement:

“This program is supported by a grant from the Texas Veterans Commission *Fund for Veterans' Assistance*. The *Fund for Veterans' Assistance* provides grants to organizations serving veterans and their families.”

If requested by the Agency, the Grantee will provide information regarding grant performance, success stories, and other information that can be used by the Agency to publicize the grant program and the Fund for

Veterans' Assistance. At the request of the Agency, Grantee will also provide media, including but not limited to photographs, logos, and social media participation.

XI. Release of Information by Awarded Applicant

Awarded Applicant shall notify and seek approval from Agency prior to releasing any information to the news media regarding the activities being conducted under the Notice of Grant Award resulting from this RFA. This is effective from the time of Commission award until the grant has been closed out.

XII. Inspections

Throughout the effective period of an NOGA resulting from this RFA, all work products shall be subject to inspection and testing by authorized TVC representatives. In order to comply with legally binding requirements of client confidentiality and attorney-client privilege, in regard to any record that has client-identifying or confidential information, Grantee may redact the identifying or confidential information.

XIII. Compliance Reviews

Visits to one or more of a Grantee's places of business may be made as determined by Agency representatives to inspect and review a project's physical facilities, financial records, personnel records, operational policies and procedures, including but not limited to observation of Grantee's delivery of services, and such other aspects of a Grantee's project as reasonably necessary to ensure compliance with the NOGA and these provisions. In order to comply with legally binding requirements of client confidentiality and attorney-client privilege, in regard to any record that has client-identifying or confidential information, Grantee may redact the identifying or confidential information.

XIV. Eligibility Determination

The Grantee must ensure that clients served using FVA grant funds are eligible to receive services prior to requesting reimbursement for services provided to these clients. Eligibility documentation must be maintained in the clients' records. In specific extenuating circumstances it may be unreasonable to obtain eligibility documentation for rendering services. The Grantee must still document due diligence to determine veteran, dependent, or spousal status.

XV. Survey

The Agency will work with the Grantee to survey Beneficiaries' experience in receiving assistance and/or services as part of the Grant Project.

TERMS AND CONDITIONS

I. Conflict of Interest

Applicants must disclose any existing or potential conflicts of interest relative to the performance of the requirements of this RFA. Failure to disclose a conflict of interest may be cause for disqualification of an Application or termination of an Agreement resulting from this RFA. If, following a review of this information, it is determined by TVC that a conflict of interest exists, Applicants may be disqualified from further consideration.

II. Release of Application Information by TVC

Public Information Act. Awarded Applicant understands and acknowledges that as a Texas state agency, TVC is subject to the provisions of the Texas Public Information Act (“PIA”), Government Code, Chapter 552 as interpreted by judicial opinions and the opinion of the Attorney General of the state of Texas. Awarded Applicant will cooperate with TVC in the production of documents responsive to any such requests under the Public Information Act. TVC will make a determination whether to submit a Public Information Act request to the Attorney General.

All submitted Applications become the property of TVC after the RFA submission deadline date. Upon acceptance of the Notice of Grant Award, all information submitted with Applicant’s Application becomes public record and all information submitted with Awarded Applicant’s Application becomes part of the Notice of Award. Therefore, such information is subject to disclosure under the Texas Public Information Act, unless an exception under the Texas Public Information Act is applicable.

Any proprietary information included in Applicant’s Application shall be subject to disclosure unless such proprietary information was clearly identified by Applicant, and such identification was submitted concurrently with the original submission of the proprietary information. Additionally, Applicant shall state the specific reason(s) an exception from the Texas Public Information Act is being claimed concurrently with the original submission of the proprietary information. If Awarded Applicant fails to clearly identify proprietary information with the original submission of the proprietary information, then those Sections will be deemed non-proprietary and made available upon receipt of public information request after the Agreement is awarded. The production of any material under the Agreement shall not have the effect of violating or causing TVC to violate any law, including the Texas Public Information Act.

III. Assignment or Subcontracting

No rights, interest, or obligations in an Agreement resulting from this RFA shall be assigned, subcontracted, or delegated by Awarded Applicant without prior written permission of TVC Point of Contact. Any attempted assignment or delegation by Awarded Applicant shall be wholly void and totally ineffective for all purposes unless made in conformity with this Paragraph. No assignment or subcontract shall relieve Awarded Applicant of any responsibility under this RFA.

IV. Indemnification

To the extent allowed by law, Awarded Applicant agrees to indemnify, defend and hold harmless the State of Texas, TVC, as well as officers, agents, and employees of TVC from any liability, for any and all claims, demands, fees, suits or actions of any nature whatsoever, including but not limited to personal injury or illness, bodily injury (including death) and property damage occurring in connection with or in any way incident to or arising out of the use, service, operation or performance of work under the terms of the Agreement, except claims, demands, fees, suits or actions arising from any negligence by TVC, its officers, agents, employees, contractor, subcontractors or any negligence of a third party, its (their) officers, agents, employees, contractors, subcontractors. TVC shall give Awarded Applicant written notice of each such claim or suit and full right and opportunity to conduct Awarded Applicant's own defense thereof, together with full information

and all reasonable cooperation. Awarded Applicant shall coordinate its defense with the Texas Attorney General as requested by TVC.

Additionally, if Awarded Applicant requires or desires to use any design, trademark, device, material or process covered by letters of patent or copyright, Awarded Applicant shall indemnify, defend and hold harmless, to the extent allowed by law, the State of Texas, TVC, as well as officers, agents, and employees of TVC, from any liability, for any and all claims, demands, fees, suits or actions of any nature whatsoever, from any and all claims for infringement by reason of the use of any such patented design, device, trademark, copyright, material or process in connection with the work agreed to be performed and shall indemnify (to the extent allowed by law) the State of Texas, TVC, as well as officers, agents, and employees of TVC, from any cost, expense, royalty or damage which the State of Texas, TVC, as well as officers, agents, and employees of TVC may be obligated to pay by reason of any infringement at any time during the performance of or after completion of the work. Awarded Applicant represents and warrants that it has determined what licenses, patents, and permits are required under the Agreement and has lawfully acquired all such licenses, patents, and permits.

Notwithstanding any indemnification clause, TVC shall have full authority to conduct its own defense, negotiations, and settlements, but Awarded Applicant's indemnification (to the extent allowed by law) nevertheless remains in full force and effect. Any settlement shall only be reimbursable by Awarded Applicant if Awarded Applicant approves such settlement in advance, and any liability upon unsuccessful defense shall only be reimbursable by Awarded Applicant if Awarded Applicant has full opportunity to participate equally in the defense of the action.

V. Severability and Strict Performance

The invalidity, illegality, or unenforceability of any provisions of the NOGA shall in no way affect the validity, legality, or enforceability of any other provisions.

Each and every right granted to TVC and Awarded Applicant hereunder or under any other document delivered hereunder or in connection herewith, or allowed them by law or equity, shall be cumulative and may be exercised from time to time. Failure by TVC or Awarded Applicant at any time to require strict performance of any provision or obligation contained herein shall not constitute a waiver or diminish the rights of either party thereafter to demand strict compliance. Neither TVC's review, approval, nor acceptance of program components, nor payment under this Agreement, shall be construed to operate as a waiver of any rights under the Agreement, or of any cause of action arising out of the performance required by the Agreement.

VI. Audit and Access to Records

A. Pursuant to Texas Government Code 2262.003, Awarded Applicant acknowledges that acceptance of funds under the Agreement acts as acceptance of the authority of (1) the Texas State Auditor's Office, or any successor agency, (2) the Texas State Auditor's Office or any successor agency, under the direction of the Texas Legislative Audit Committee, (3) TVC's Internal Auditor, and (4) any external auditors selected by TVC or any auditors selected by the United States, (Collectively referred to as "Audit Entities") to conduct an audit or investigation in connection with those funds. Awarded Applicant further agrees to cooperate fully with Audit Entities in the conduct of the audit or investigation, including providing all records requested. Awarded Applicant shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Awarded Applicant and the requirement to cooperate is included in any subcontract Awarded Applicant awards.

B. Awarded Applicant shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Awarded Applicant in connection with the Project. These records and accounts (which includes all receipts of expenses incurred by Awarded Applicant)

shall be retained by Awarded Applicant and made available for inspecting, monitoring, programmatic or financial auditing, or evaluation by TVC and by others authorized by law or regulation to do so for a period of not less than three (3) years from the date of completion of the Grant Project or the date of the receipt by TVC of Awarded Applicant's final claim for payment or final expenditure report or until a resolution of all billing questions in connection with the Agreement, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed. Awarded Applicant shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all documents and other information related to the Grant Project carried out under the Agreement. Awarded Applicant and any subcontractors shall provide any Audit Entities with any information the entity deems relevant to any monitoring, investigation, evaluation, or audit.

- C. TVC reserves the right to require the reimbursement of any over-payments determined as a result of any audit or inspection of records kept by Awarded Applicant on work performed under the Agreement. Awarded Applicant shall reimburse TVC within 30 calendar days of receipt of notice from TVC of overpayment. Awarded Applicant's failure to comply with this "Audit and Access to Records" section shall constitute a material breach of the Agreement.

VII. Applicable Law and Venue

The Agreement and any incorporated documents shall be governed by and construed in accordance with the laws of the State of Texas. The exclusive venue of any suit brought concerning the Agreement and any incorporated documents is fixed in any court of competent jurisdiction in Travis County, Texas, and all payments under the Agreement shall be due and payable in Travis County, Texas.

VIII. Applicant Responsibilities/Compliance with Laws

Applicant shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations and the orders and decrees of any court or administrative bodies or tribunals in any matter affecting the performance of the Agreement, including, if applicable, workers compensation laws, compensation statutes and regulations, and licensing laws and regulations. When requested to do so by TVC, Applicant shall furnish TVC with satisfactory proof of its compliance.

IX. Dispute Resolution

The dispute resolution process provided for in Texas Government Code, Chapter 2260 shall be used by TVC and Awarded Applicant ("Respondent") to resolve any dispute arising under the NOGA. The dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, to attempt to resolve a claim for breach of contract asserted by the Respondent under the NOGA. If the Respondent's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Respondent shall submit written notice, as required by Chapter 2260, to the Deputy Comptroller or his or her designee. The notice shall also be given to the individual identified in the NOGA for receipt of notices. Compliance by the Respondent with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Respondent's sole and exclusive process for seeking a remedy for an alleged breach of contract by TVC if the Parties are unable to resolve their disputes as described above.

Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. Neither the execution of the NOGA by TVC nor any other conduct of any representative of TVC relating to the NOGA shall be considered a waiver of sovereign immunity to suit.

For all other specific breach of contract claims or disputes under the NOGA, TVC and the Respondent shall first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the Parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third party to be chosen by TVC and the Respondent within fifteen (15) days after written notice by one them demanding mediation under this Section. The Respondent shall pay all costs of the mediation unless TVC, in its sole good faith discretion, approves its payment of all or part of such costs. By mutual agreement, TVC and the Respondent may use a non-binding form of dispute resolution other than mediation. The purpose of this Section is to reasonably ensure that TVC and the Respondent shall, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. TVC's participation in, or the results of, any mediation or other non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by TVC of (1) any rights, privileges, defenses, remedies or immunities available to TVC as an agency of the State of Texas or otherwise available to the TVC; (2) TVC's termination rights; or (3) other termination provisions or expiration dates of the NOGA.

Notwithstanding any other provision of the NOGA to the contrary, unless otherwise requested or approved in writing by TVC, the Respondent shall continue performance and shall not be excused from performance during the period any breach of contract claim or dispute is pending under either of the above processes; however, the Respondent may suspend performance during the pendency of such claim or dispute if the Respondent has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

X. Force Majeure

Neither Awarded Applicant nor Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in any NOGA resulting from this RFA caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

XI. Non-Appropriation of Funds

The NOGA may be terminated if funds allocated to TVC should become reduced, depleted, or unavailable during the grant period, and to the extent that TVC is unable to obtain additional funds for such purposes. TVC shall negotiate efforts as first consideration and if such efforts fail, then TVC shall immediately provide written notification to the Awarded Applicant of such fact and the NOGA shall be deemed terminated upon receipt of the notification, and neither party shall have any further rights or obligations hereunder. Awarded Applicant shall not incur new obligations after the effective date of termination and shall cancel as many outstanding obligations as reasonably practicable. TVC shall be liable for allowable costs incurred up to the time of such termination. Under no circumstances shall this RFA or any provisions herein be construed to extend the duties, responsibilities, obligations, or liabilities of the State of Texas or TVC beyond the then existing biennium.

XII. Termination and Enforcement

Awards may be terminated in whole or in part only if one of the following applies:

- A.** By the awarding agency if a recipient materially fails to comply with the terms and conditions of the award;

- B.** By the awarding agency with the consent of the recipient in which case the two parties shall agree on the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated;
- C.** By the recipient upon sending to the awarding agency written notification setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. If the awarding agency determines in the case of partial termination that the reduced or modified grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety.

PROVISIONS AND ASSURANCES

Under Section 2155.006 of the Texas Government Code, the bidder certifies that the individual or business entity named in this bid is not ineligible to receive the specified contract and acknowledges that any contract resulting from this RFA may be terminated and payment withheld if this certification is inaccurate.

III. Buy Texas

In accordance with Texas Government Code, Section 2155.4441, the State of Texas requires that during the performance of a contract for services, Awarded Applicant shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the state.

Applicant and any other individual or business entity named in this RFA are eligible to receive the specified payment and acknowledge that this contract may be terminated and payment withheld if this certification is inaccurate.

V. Maintain Tax-Exempt Status
